Attention all students interested in Drama Club: our third activity, Forensics, begins this week. Forensics is a speech and drama event where students choose from one of 16 different categories. Choices include reading poetry, giving an informational speech, putting together a television news broadcast, performing a short play, and many more! Forensics is open to all middle school students, even if you haven't participated in Drama Club this year. The informational meeting will be today from 3:45 to 4:30 in the Step Room. See Mr. Campbell if you have questions.

What are you doing TODAY right after school? We have an idea for you! Stop by the bake sale put on by Mrs. Worley's advisory at the top of the commons area! All treats are just a dollar! All profits go toward adopting an acre of the rainforest. Hope to see you there!\_

Anyone like jolly ranchers? If so, Ms.Wirth and Mr.Jackson's advisory has added a new update to the toy drive! Come into the front office with a new toy or item from the papers hanging up around the school and get 1 raffle ticket per toy you bring in. Every morning, we will pick one winner to receive a baggie of jolly ranchers for your donation! Good luck and thank you!
