Good morning Badger Ridge and CKCS 7 math rockstars! Keep getting sponsors and encouraging your classmates to use their math abilities to do good. Treatments invented at St. Jude Children's Research Hospital have helped push the overall childhood cancer survival rate from 20 percent to more than 80 percent. Remember the top student from each grade level will throw a pie in the face of a staff member.

Auditions for the Showcase of Talent are TODAY, after school in the Band room. If you are auditioning, please come prepared with any music and supplies you will need for your audition. Auditions will begin at 3:45. Plan on staying at auditions until all students have performed. See Mrs. Urben if you have questions.

We will have a GSA meeting today for all grade levels. Please join us in the step room right after announcements if you are interested.

Attention all students involved in the musical, "You're a Good Man, Charlie Brown" - this is a reminder that there is rehearsal TODAY after school for ALL cast members in the BRMS Step Room. See Ms. Nelson if you have any questions.

There will be NO Science Olympiad today. I repeat, NO Science Olympiad this week. We'll see you next week.

Reminder to stop in the commons tomorrow morning to buy some candy grams for you or some friends. They are each a dollar for delivery and the candy itself. See you there.
