The 8th Grade Girls Basketball Teams swept a pair of games yesterday against Stoughton.

The B Team got off to a **quick start**, only to see Stoughton **roar back** and take a three point lead midway through the first half. The Wildcats improved their **transition defense**, however, and reasserted control in the final half to claim a 37 to 31 victory. It truly was a **TEAM WIN** as **every single player** on the team scored in the triumph. Defensive Player of the Game Award went to Sophie N, Jamesha C, Skye S, and Jahriya R while Offensive Player of the Game honors were shared by Hillary B, Andrea M, and Itzel O-T.

The A Team missed some early **opportunities** early in the game, but a **tenacious 2-2-1 full court defense** enabled them to totally dominate the game. The Wildcats executed their **zone attack offense** to achieve a 52 to 17 victory. Defensive Player of the Game Award went to Laura K, Lauren V, and Caitlin N while Offensive Player of the Game honors were shared by Paige L, Abbi R, and Linsey T.

The girls travel to Sun Prairie next Monday.
