The 8th Grade Girls Basketball Teams swept a pair of games yesterday at Savanna Oaks to close out their successful season.

The A Team **stormed out** to a quick nine to zero lead early on and built up an **insurmountable** margin by halftime. The scoreboard was turned off early in the second half as the team amassed **75 points** and **cruised** to an easy win.

The B Team struggled keeping their opponent off the **offensive boards** and trailed by two points at the half. Savanna opened up a **nine point lead** halfway through the second half and things looked **bleak** until the team put on a **furious rally** to tie the game in the closing seconds and force **overtime**. A defensive steal and layup combined with a **crucial free throw** was the difference as the team won a 22 to 21 **OVERTIME THRILLER**.

Coach McCluskey would like to thank all the girls for your **hard work, dedication,** and **commitment** during the season. THANK YOU and GOOD LUCK with your future **HOOP DREAMS**.
