Attention Skiers and Snowboarders- There are still a few spots available for Friday Night's trip to Devil's Head. Sign up and turn your check into Mr. Rohlfing by Wed. at 3:30.

We will have Art Club this week on Wednesday & Thursday after school!

All middle school students planning to audition for the Showcase of Talent should turn in their audition forms to Mrs. Urben by Friday, February 8. Please see Mrs. Urben if you have questions!

No Name Calling Week continues today. How did you do yesterday at not calling names? Did you use putups instead of putdowns? You can do it! Sometimes students think that bullying is impossible to stop. That's wrong! It CAN be stopped - one student at a time. Will you be that student today? Your quote comes from Judy Garland, who was best known for her role as Dorothy in "The Wizard of Oz": Always be a first-rate version of yourself, instead of a second-rate version of somebody else." Remember - you are beautiful. You are loved.

A reminder to all students interested in the GSA that our next meeting is Friday during Advisory in the Step Room. We will be talking about what it means to be lesbian and discussing the contributions of women who were lesbian throughout history, especially women of color to help celebrate Black History Month. The GSA is open to all students regardless of gender or sexuality. See Mr. Campbell if you have questions.

Yearbook club will meet today tomorrow and thursday right after school in the library, please be there as soon as possible! Again all yearbook club members meet right after school in library right after school today

Auditions are here! Auditions are here! Auditions are tonight and Thursday from 3:45 to 6:00 in the BRMS Step Room. All students who are interested in a part of our all middle school musical, "Joseph and the Amazing Technicolor Dreamcoat", need to audition on ONE night, but everyone who auditions WILL get a part. Students who are interested in working backstage should attend on one night as well. See Mr. Campbell if you have questions.

(Play We will play "I Wanna Dance with Somebody (Who Loves Me": from Whitney Houston) Hey Badger Ridge and Core Knowledge students and staff, that was "I Wanna Dance with Somebody (Who Loves Me": from Whitney Houston) > its release date was 1987. This week, student council will be doing a 80's decade week. Each day you will hear a 3 minute snippet of a song from the 1980's to start your day and to help you get to class on time. During announcements, there will be a trivia question to answer just like you had for the 70's week. Finally, on Friday, February 8th, wear your best 80's outfit. The 80's was all about high waist jeans, shoulder pads, oversized tops, leg warmers, stretched stirrup pants, neon colors, fingerless gloves, big hair and big earrings! And let's not forget boys- the mullet was also very popular. So start sifting through closets and see what you can find that looks like 80's and wear for this Friday, February 8th.

This week is all about the 80s and each day you will have an opportunity to correctly answer a 80's trivia question. If you are correct, your name will be placed in a 80's trivia bin and one name will be drawn on Friday afternoon. That person will win a \$10.00 Target gift card. You have an opportunity each day to correctly answer a 80s trivia question. Come to the Badger Ridge office and fill out a slip with your first and last name, grade level and answer- then drop it in the 80's trivia box. Monday's answer for who was the President shot by John Hinckley....it was President Reagan.

Here is your 80's trivia question for today:

Mount St. Helens famously blew its volcanic top on May 18, 1980, in which U.S. state?

Science Olympiad will NOT be meeting today after school. I repeat Science Olympiad will NOT be meeting after school. But we did have some big winners at our Regional Event last week in Milwaukee. Your Badger Ridge and Core Knowledge Science Olympiad team did well, had a great time, and even took home some medals. Congratulations to the whole team with a special mention of:

Andrew Jacobsen and Zinnia Wedige - who placed 4th in Density Lab

Sophia Hodkiewicz - who placed 4th working solo in Heredity

And

Emerson Crabb and Aimon Van Houten - Who placed 2nd in the REGION in Mystery Architecture

Congratulations team, and we'll see you again next week.
