ATTENTION ALL ADVISORY CLASSES!!! Student council is having its yearly door decorating contest. This year's theme is Gratitude and Community. Your door should reflect in some way gratitude and community. Student council will judge the door on the following criteria:

Creativity: Color, Originality

Neatness: effort

Theme: Gratitude & Community

Doors should be completed by Friday, November 16, 2018. Winners will be notified on Tuesday, November by the morning announcements and treats will be served within the advisory class. There will be a winner for each grade level.

Attention All Student Council Members- as stated last week Friday, there will be a move to have student council TOMORROW and not next Friday to help out GSA. Again Student council will have a meeting this Friday, room 201 after announcements.

Attention all students interested in the GSA: our meeting scheduled for tomorrow has been moved to next week Friday, November 16th, due to a field trip. We will have a guest speaker talk about the topic of being transgender. Again, there is NO GSA meeting this Friday. See Mr. Campbell if you have questions.

There is no wrestling practice tonight. Enjoy your weekend.

HAPPY BIRTHDAY MS. WIRTH!
